Dear Members:

Being prepared means being ready to deal with a situation or having made arrangements to do something. Recent winter storm warnings probably had you rushing to the grocery stores to stock up on food, covering your outside plants and making sure you had back up plans in case of an electrical outage. These actions were preparation for you and your family, however, thanks to your continuing contributions, the club can help many in the community to be prepared.

The School Projects Committee recently put out a request for clothing items, including jackets and stocking hats. With the items collected and delivered to the schools before the storm, think of how many children were protected from the cold. Each time the club contributes money and items to the food pantry, be thankful that many people can prepare a meal for themselves and their family. Our contributions to schools also help prepare our youth for the future. Never underestimate your contribution to the community.

In April 2023, the club was able to give back to the community an additional \$21,000 outside of our normal donations and in April 2024, \$26,550 more was given back to the community. Your continued support to our upcoming fundraising efforts; the Dance and Silent Auction on February 1st, PCB Food Truck and Craft Beer Festival on February 8th and 9th, and Mardi Gras on February 15th will allow us to continue these additional contributions.

January Luncheon - An Inspiring Presentation by Dr. Milinda Stephenson, PhD

Dr. Milinda Stephenson

Dr. Stephenson recounted a family Thanksgiving that sparked her quest for truth. A whispered revelation about a family secret—the suicide of her great-grandmother—set her on a path to uncover her family's untold stories. Although she never confirmed the details of that particular tragedy, her search unearthed the remarkable story of Minnie Clara, a courageous woman who became the heroine of her novel.

Born in Germany and immigrating to America in 1882, Minnie Clara's family struggled to adapt to life in Chipley, Florida. When her father, a former aristocrat and poet, refused manual labor, Minnie Clara, at just nine years old, took charge. Through farming, sewing, and sheer determination, she transformed her family's fortune. Following the death of her mother and the disappearance of her father, Minnie Clara took on the responsibility of raising her siblings.

Dr. Stephenson encouraged the audience to uncover and share the stories of the heroic women in their own families. She emphasized that these stories are vital for preserving history, inspiring future generations, and fostering resilience. Her interactive session prompted attendees to reflect on the storytellers and tales within their own families, sparking a creative journey to document and celebrate the lives of extraordinary women.

The presentation concluded with a heartfelt invitation: write your story, honor your family's legacy, and let the courage of past generations shine through to inspire the future. Unearth the stories from your own "Family Ghosts."

Fashion Show: Dressing for Special Occasions Without Breaking the Bank

A special thank you to our very own fashion stars, Bobbi Griggs, Janet Tettemer, and Rhonda Zartman, who wowed us with their expertise and style. These ladies know how to elevate fashion without breaking the bank!

The show highlighted budget-friendly ways to dress for special occasions, whether planning for an elegant gala, a stylish wedding, or a casual yet chic evening out. Our models demonstrated how to put together the perfect look without overspending.

From savvy shopping tips to expert advice on finding affordable pieces that look high-end, mixing and matching wardrobe staples, and accessorizing for that perfect finishing touch, Bobbi, Janet, and Rhonda inspired us all with their creativity and flair. Their presentation was not only informative but also engaging and fun!

Thank You!

A heartfelt thank you to everyone who attended our luncheon! Your presence made the event truly special, and we are so grateful for your support and enthusiasm. It was wonderful to see so many friendly faces, enjoy delicious food, and share meaningful conversations.

We hope you found the luncheon both enjoyable and inspiring. Your continued support helps us make a positive impact in our community, and we look forward to seeing you at our future luncheons.

“Mini” Fashion Show February 2025: Chico’s

The February Fashion Show Committee “mini” luncheon will proudly present a familiar and favorite boutique to the Women’s Civic Club members, that being Chico’s. Chico’s has served as a showcase Aimer (French: to like) in the past for our main event in April.

Tammy Ruehrwein, part-time associate at Chico's, will be acting as honored Master of Ceremonies. Tammy's experience at Chico's gives her the opportunity to help women feel fabulous. She says, "If we can't wear trendy outfits, at least we can help others find them!"

Diane Vitale, Sharon Mayberry and Denise Rentz will be modeling the most recent spring collection from Chico's. Diane has been a 10 year member of the Women's Civic Club. During that time she has served as President and continues her support of the organization. As part of her professional career, Diane has a background in fashion and retail. She enjoys maintaining her connection with fashion by participating with the Fashion Show Committee.

Sharon Mayberry has served as a member of the Women's Civic Club for 2 years and enjoys her participation with the Fashion Show Committee because she loves fashion.

Denise Rentz is approaching her two year anniversary with the Women's Civic Club and wanted to try something exciting and new, something out of her comfort zone. She offered to volunteer and participate with the Fashion Show Committee for the Chico's "mini".

This celebration will include an all time Hallmark event "Valentine's Day" theme. Join us by wearing your favorite Chico's collection from your closet and/or valentine attire.

Time to Sign Up for 2025-26 Committees!

It's that time of year! Committee sign-up sheets for the fiscal year 2025-2026 will be available at the March, April and May general luncheon meetings AND available for print on our website wccpcb.org/forms. Please complete and sign the form, attach \$30 dues (cash or check), the Conflict of Interest Form and turn in to the Membership Chair Arlene Klaas. You may also mail your forms and check to Women's Civic Club, PO Box 9759, Panama City Beach, FL 32417.

Inactive members must inform the Membership Chair, Arlene Klaas, that they wish to remain inactive, pay the \$30 dues, and submit the Conflict of Interest Form. An inactive member may elect to serve on committees and attend meetings.

Any member wishing to go inactive must complete the Request for Inactive Membership form located on the website wccpcb.org/forms, attach the \$30 dues, the Conflict of Interest form and turn in to the Membership Chair Arlene Klaas.

NEW FORM

CONFLICT OF INTEREST is a **new form** to be submitted with your Committee Sign-Up Sheet or Inactive form. The form is included in the committee sign up packet. The policy is available to read at wccpcb.org/forms. Below is an explanation of the reason for this policy.

For further questions, contact Treasurer Jeanette Poland.

IRS and Department of Agriculture reporting contains a question whether our club has a Conflict-of-Interest Policy. In order to protect both the interests of the Club and the membership, the board agreed at the December 19th board meeting that it would be beneficial to have a Conflict-of-Interest Policy. The policy can be viewed on our website wccpcb.org/forms. Each member will be asked to sign an annual conflict of interest form as an acknowledgement of receipt and agreement upon renewal of their membership each year.

PLEASE submit your Committee Sign Up Sheet or Inactive Form, dues, and the Conflict of Interest form no later than the May 1, 2025 general luncheon meeting.

Thank you all. If you need help with the forms, feel free to contact me.

Special Beach Events

The Special Beach Events has two fundraising events that are right around the corner. On February 8 and 9 at Aaron Bessant Park we have the opportunity to assist the Food Trucks Festivals of America Organization with their festival. This will need a small group of workers for 3 - 4 hour shifts to check in festival goers. The time will be from 10am - 6pm, and will have several positions available that will be seated.

The second is the PCB Mardi Gras and Music Festival on February 15 also at Aaron Bessant Park. We will be the exclusive beer vendor for this event featuring singer songwriter Chris Jansen. Chris is a proud member of the Grand Ole Opry and a multi-platinum songwriter and artist. Due to the expected crowd for this event we have been asked to staff 2 bars so we will need a large number of staff for 3- 4 hour shifts from 11- 5. Spouses and friends are especially needed at this event to help with the stocking of products.

Both events offer the opportunity to our workers to enjoy the many festivities of the events as well as the opportunity for the WCC to earn extra funds for our charities and support organizations in PCB.

If you are interested in volunteering for either one or both of these events, please contact Sue Jiles, 770-364-5890, or Cheri Leistner, 502-296-3205.
