## From the President's Desk

Dear Members:

We are at the start of a new year. Most of us comment how fast 2022 has gone and reflect in various ways. Through our various committees much has been accomplished. How does this happen? With each member contributing their talents, a synergy takes place. I think of the Arts and Crafts Show & Sale. From a conversation with a few vendors questioning the possibility of a fall event, the addition was born. Committee members stepped up with their "can do attitude", signing up for various duties and doing more when the need would arise. The creativity of a new idea, the confidence of a positive outcome and the determination through hard work using cooperation with others comes to mind.

The Beach Boogie Dance February 4th, our biggest fundraiser, is approaching. Whether you are officially on the committee or not I encourage each of you to be a part of this wonderful event. Bring your talents forward.

Sometimes the briefest quote can carry the strongest message, so I offer to you from Emily Dickinson, " I Dwell in Possibility".

*Respectfully,  
Diane, President*

## "Foundations of the Club"

The January edition of The Civic Courier, "Foundations of the Club" is highlighting Elaine Lichtenberger and focusing on one of our charities, Beach Care Services.

**Elaine Lichtenberger**

Elaine and Ron Lichtenberger moved to Panama City Beach from Northeast Ohio in 1994 when they transferred for their jobs. Elaine was an Account Manager for McKesson Corp (formerly General Medical Corp) where she covered hospitals from Tallahassee to Mobile and Southeast Alabama. Her career lasted 35 years with the same company although the company's name changed several times. In 1975 Elaine was one of the first females to become a medical supply sales rep.

After retiring from McKesson Elaine became a Realtor with Coldwell Banker Carroll Realty where she became close friends with Cherry Creekmore who sponsored her for membership in March 2008. She served as Recording Secretary, 1st Vice President and President. Elaine also chaired several committees and projects including Biker's Beach Breakfast, Tour of Homes, Silent Auction and Craft Sale. Nan VandenBerg was her mentor throughout the years and without Nan's guidance Elaine says she would never have accomplished much.

Some of the most fun times she had were at a couple of discontinued events, Tour of Homes and Biker's Beach Breakfast. Also, two of the Silent Auctions were held at the Edgewater Conference Center where there was entertainment and a fancy sit-down dinner. The Dance was a separate event in those days. Julie Bailey was a wonderful co-chair. Times change and she has lovely memories.

Elaine encourages everyone to sign-up to chair or co-chair a committee. You become a Board member and really get to know your WCC sisters and how things work.

Although she lives most of the year in Ohio, she remains a member and loves to see all the wonderful things the Club is doing.

## Beach Care Services

Founded in 1999, Beach Care Services is a very active local 501 (c) (3) non-profit organization that has helped thousands of Panama City Beach residents pay bills, afford their prescriptions, and buy gas or trolley passes to get to work. In any given year, BCS provides assistance to between 700-900 individuals and families in great need. Their mission is to provide short term emergency assistance to people who live or work on Panama City Beach and when they require long term or specialized assistance refer them to other social service agencies.

Beach Care Services is funded completely by contributions from local churches, businesses, individuals, and civic groups. They also host three signature events; Dinner on the Bay, Duck Races and Golf Tournament; each year to boost the funds needed to care for as many locals as possible.

### *"Members and Guests Enjoy the December Christmas Luncheon"*

Throughout the year club members, oftentimes enlisting family and friends, volunteer their time and efforts to ensure our Christmas Luncheon is a success and enables us to give back to our community. Members and guests enjoyed the enthusiasm and music of the Patronis Chorus under the direction of Kenny Kirkland and the delight of each selected organization as they received our gift.

#### ***"CPR Training"***

Are you ready for emergencies in your home, church, workplace, etc? The WCC would like to make sure you are prepared for these emergencies.

The Member to Member Committee is sponsoring an introductory CPR training class. This course will cover the basics of CPR from infant to adult. It is a 1 hour session that provides an overview only.

CPR certification is not included in this session but could be offered at a later date if there is enough interest.

This course will be held Saturday February 11, 2023 at 10am. It will be held in the training room of the new PCB Fire Station on Nautilus, behind the Busy Bee. The training room can hold 40 participants.

Please RSVP to Tina Dufresne at [tdufr1@gmail.com](mailto:tdufr1@gmail.com) if you would like to be included in this class.

We encourage everyone to bring a notebook and pen to jot down key points. We hope you can join us for this very informative class.

#### ***"Bunco"***

The Member to Member Committee is starting the new year off with a little twist to our bunco. We will be playing SATURDAY, January 28 at 10am. The location will still be at Taylor's Restaurant on Thomas Drive. (Please note the date change due to a mix up at Taylors). We were requested to try a day where some of our working members could come join in the fun! So we are hoping that Saturday will work for EVERYONE ! Play begins at 10am, so please arrive a bit early to get checked in. Cost is \$18 and includes your play, prizes and lunch! Please reply to Patty Rocco (812-276-8115 or [pattyarocco@gmail.com](mailto:pattyarocco@gmail.com)) to make your reservation. NO EXPERIENCE necessary! If you haven't played bunco before, it is a fun dice game that requires no skill and can be learned in a matter of minutes. Hope you can join us!
