From the President's Desk

Nancy Stovall

Dear Members:

Happy New Year!!!! May the year be filled with peace, prosperity, love, and a good memory. A mind that remembers that the January general and luncheon meeting will be held on **Friday, January 3rd**, and not the normal Thursday.

"Ring in the new year" refers to the old tradition of celebrating beginnings and endings with bells. Although the Women's Civic Club members didn't "ring" 2025 in with bells, they happily handed out hats at the Beach Ball Drop events held in Pier Park and Aaron Bessant.

2025 proudly marks 60 years of caring, sharing, and giving back to our community. Over the years the members, past and current, along with family and friends have dedicated their time and talents to ensure the Women's Civic Club continues to exist and fulfill their mission to give aid to worthy projects in the Panama City Beach community.

Your continued support for our upcoming fundraising events - the Dance and Silent Auction on February 1st, Mardi Gras on February 15th, the Spring Fling Arts and Craft Show on March 8th, and UNwineD on March 29th is needed. The money raised from these and other events give us the opportunity to give more back to the community.

"Approach the New Year with resolve to the opportunities hidden in each new day".

"A Festive Celebration of Giving at our December Luncheon"

The holiday spirit was alive and vibrant at our December luncheon, an event that brought together community, music, and generosity in a truly memorable celebration.

As members and guests gathered, the room was soon filled with the delightful voices of the Patronis Elementary School Choir, led by the talented Mr. Kenneth Kirkland. Their heartwarming performance of Christmas songs added a magical touch, reminding everyone of the joy and innocence of the season. The choir's festive melodies provided the perfect backdrop for the day's celebration and luncheon, bringing smiles to every face in the room. We are deeply grateful to Mr. Kirkland, the dedicated teachers, supportive parents, and all those who worked together to make this enchanting performance possible.

In addition to the uplifting music, our Panama City Beach officials, organization recipients, members and guests enjoyed a delicious meal, prepared, and served with care to reflect the spirit of togetherness that defines our club. Sharing food and fellowship with friends and community members made the luncheon feel even more special, creating cherished memories for all who attended.

The highlight of the event was the opportunity to give back to our community. Representatives from various local charities and organizations were present to receive donations from our club, made possible through the hard work and dedication of our members throughout the year. Each representative shared how these contributions will impact their organizations, expressing heartfelt gratitude that deeply resonated with everyone in attendance. It was a powerful reminder of our club's mission and the true spirit of the season—giving back to our community. These donations exemplify our ongoing commitment to supporting vital causes and making a meaningful difference in the lives of others.

This luncheon was more than just an event; it was a beautiful reminder of the power of unity, generosity, and compassion. As we reflect on the success of this gathering, we are inspired to carry this momentum forward into the new year. Together, we can continue to make a difference and uphold our club's mission of creating a better community for all.

“Mini” Fashion Show: Creating Fashion On A Budget

Models Rhonda Zartman and Janet Tettemer will be showcasing their suggestions to WCC members at the January “Mini” fashion show on how to Create Fashion On A Budget. They will demonstrate how to purchase a look for the upcoming Diamond Jubilee Gala Dance/Auction without blowing your budget. You will see pieces that look great, are affordable and can be worn for many occasions.

Rhonda’s fashion interest is based on being stylish but comfortable with a bit of fun bling. Janet’s fashion interest and style is based upon a simple classic look with something to jazz it up.

Ring in January 2025 represents new beginnings, transitions and looking ahead towards new goals. The Fashion Show Committee looks forward to celebrating the 60th year of the PCB Women’s Civic Club by caring & sharing to the community and highlighting fresh new fashion ideas to explore.

"Member Information"

Conflict of Interest Policy

IRS and Department of Agriculture reporting contains a question whether our club has a Conflict of Interest Policy. In order to protect both the interests of the Club and the membership, the board agreed at the December 19th board meeting that it would be beneficial to have a Conflict of Interest Policy. The policy can be viewed on our website wccpcb.org/membership. Each member will be asked to sign an [annual conflict of interest form](#) as an acknowledgement of receipt and agreement upon renewal of their membership each year.

Nominating Committee Process

President Nancy Stovall, First Vice President Arlene Klaas and Second Vice President Jane Fillingim terms will expire in May. The nomination process for the open position will begin at the January general and luncheon meeting with calls for (7) members to serve on the nominating committee to identify a candidate for each of the open positions.

Nomination forms will be given to each member in attendance at the meeting to state their candidate and sign their name. Nominees must have two years as an active member. The nominations will be placed in a container and the President will draw a nominee and give the nominee an opportunity to accept or decline until seven members agree to serve. The President will then appoint the selected members to the nominating committee and the committee will meet and develop recommendations to fill the open positions.

At the February general and luncheon meeting, the nomination committee chair will present the slate of officers to the membership. In March, the President will reread the slate of officers selected by the committee and call for nominations from the floor. Voting for the officers will take place at the April meeting and the new officers were be installed at the May meeting.

New Year's Eve Beach Balls Drop

Happy New Year!! The Special Beach Events celebrated New Year's Eve with over 40,000 party goers at Pier Park and Aaron Bessant Park. And let's just say, PCB knows how to throw a party! The kids area in Aaron Bessant was a new addition this year with kids activities and games, a bounce house, a light show, food trucks, fireworks, a beach ball drop and of course, PARTY HATS! Pier Park had live music, a beach ball drop at 8pm, fireworks, PARTY HATS, stilt walkers, the Pier Park Beach Ball mascot and the big ball drop at midnight. We were constantly busy and having fun with the hat distribution. But more importantly this was a bigger and better opportunity for the WCC of PCB to earn funds that will be donated to our PCB charities and support organizations!! We cannot express our sincere gratitude and appreciation of the ladies, as well as their family and friends, that joined us for this fundraiser! You were a pleasure to work with and truly represented the club's motto of Uniting for a Better Community!

"Supporting the Community"

Community Outreach

The Community Outreach committee continues to assist in the community. We supported Superior Senior Living by assisting residents making gingerbread houses on December 12th, and serving breakfast on December 13th. We held a Red Hat tea party at Charter Senior Living on December 13th, and we continue to volunteer twice a month at Backpack Blessings. On December 10th, 17 members gathered at the Dena Roewe's home for fellowship and to sign 215 cards. These cards were distributed by Gloria Turner to the residents at both Charter and Superior.

As a reminder, WCC members volunteer at Backpack Blessings on the 2nd and 3rd Thursdays of the month at 8:30 a.m. The address is 158 Griffin Blvd. All members are invited to join us in these rewarding activities. The next red hat tea party will be at Charter Senior Living on January 27th at 2:30pm. The address is 6012 Magnolia Beach Road. Red hats are provided.

Happy Holidays from Our Families to Yours. May this Christmas be a reminder of the strength in community and in building homes and dreams together.

From: Anchorage Children's Home - Joel Booth, Executive Director

Clarity is a beautiful thing! At our agency's Annual Meeting in September, our audience received a special gift that provided all of us with clarity on the important work we do at Anchorage Children's Home. For the first time in several years, we had some of our clients (past and present) give their personal testimonies and explain how Anchorage helped them in their time of need. All of their stories were inspiring, but one 17-year-old youth in particular had the crowd in tears. This young man's story is one that we see often at Anchorage, but for our visitors it was astonishing for them to realize what so many of our youth (right here in little ole Panama City) struggle with. He shared that his mother struggled with drug addiction all his life, resulting in him and his siblings entering into the foster care system after his mother was incarcerated. His father was in the country illegally and was deported when this young man was very young, so he did not have a relationship at all with him. Upon her release from jail, his mother was eventually reunited with her children, but she continued to struggle to provide for her family and, out of necessity and not by choice, this young man became the adult for his younger siblings. The family continued to move from apartment to apartment until they were accepted into The Ark on Panama City Beach. Through God's providence, our Street Outreach Team worked with The Ark staff to transition him into Anchorage's Transitional Living Program, "The Bridge". He has excelled since entering the program! Due to the support and guidance of our staff, he is now attending school regularly and will graduate this year. He plans on pursuing a career in the field of Computer Systems & Information Technology. I think the moment in his testimony that moved so many was when he said these three basic words when I asked him what was the biggest impact that The Bridge Transitional Living Program has provided him: "I feel safe". How simple, but so profound. He simply needed to exist in a safe and loving environment to realize his God given purpose in life. He went on to explain that he now has adults in his life that he trusts and supports him.

This young man provided clarity to all in attendance, including myself, on why it is so important for Anchorage to continue its mission in our community. There are so many more youth in our community that have a similar story to tell and who desperately need the safety, love and security that Anchorage has to offer. All services offered by Anchorage, including The Bridge Transitional Living Program, are in existence due to your prayers, support and engagement. Over 40 years ago,

the founding board members stepped out on faith to establish Anchorage Children's Home and God continues to honor their commitment of faith by guiding individuals like you who continue to support our mission.

I leave you with this verse from the Apostle Paul: Philippians 1:9 "And this is my prayer: that your love may abound more and more in knowledge and depth of insight." As you gather with family and loved one this Christmas season, let me challenge you to embrace this scripture. As we celebrate the birth of our Lord and Savior may we truly reflect on God's perfect plan of love and redemption. Through this reflection, I pray that each of us cultivate a love that reflects God's character, grace and wisdom as we navigate life's complexities. Merry Christmas and Happy New Year!
