Dear Members:

Flexibility - willingness to change or compromise. Recently one of our members reminded me how we learned to be flexible during the pandemic in order to accomplish our mission. She also added how this year's Panama City Beach weather has been, and how we have been willing to "stand in the rain and the cold" to raise money for our community (New Years Eve, PCB Marathon, Mardi Gras, Food Truck Festival). What a testament to the determination and commitment of the members of our club.

During our new member installation, it is shared that each person is unique but when we become part of a group, we are unequalled in strength and commitment. Being aware of differences allows each of us to appreciate and respect those differences for better communications and teamwork. February was a very busy month and my sincere "thank you" for your leadership, your commitment and your support to each other which resulted in a successful Dance and Silent Auction, a new opportunity for the club to support the Food Truck Festival, and community outreach activities of bagging food with Backpack Blessings, sharing in "Red Hat Tea Parties" and making jewelry at Girls, Inc.

"Always remember that you are absolutely unique. Just like everyone else." Margaret Mead

"February Luncheon with Corporal Amy Burnette"

We were honored to host a thought-provoking luncheon February 1, where we gathered at The Wharf to raise awareness about two pressing issues: human trafficking and domestic violence. Corporal Amy Burnette with criminal division of the Bay County Sheriff's office shared valuable insights and firsthand experiences, shedding light on these critical topics.

Throughout Cpl. Burnette's presentation, she provided a detailed depiction of the challenges victims encounter, citing local and nearby instances that truly opened our eyes to the issues. One of the most impactful moments of the luncheon was when Cpl. Burnette shared personal stories of resilience and hope from survivors. These stories not only underscored the strength of the human spirit but also emphasized the urgent need for support and resources to empower survivors on their journey to healing and recovery. Cpl. Burnette says that it is important for the community to learn the signs of domestic and dating violence. "Domestic violence awareness is very key, because it happens behind closed doors," Characteristics you can look for include abuser isolating the victim from their friends and family, cutting off communication and other controlling behaviors. "It is important to look for signs of domestic violence, so you can potentially help somebody get out of that situation, and you yourself could actually help stop a homicide." We also learned that human traffickers often target people who are going through a challenging time or who lack a strong support system.

Cpl. Burnette has a lot of great mentors in her life including her great grandmother, Monica Henderson. Mrs. Henderson was a number one welder in WWII at the local shipyard when it was in downtown Panama City. She did this job and took care of a household, so that gives us an idea of where Cpl. Burnette might get some of her grit.

On Cpl. Burnette's Facebook page, there is a message to women considering going into law enforcement. She says "they need to be the boss of themselves. Love themselves, love God, and love family. "Know they are a force to be reckoned with, and know they are nothing but the best." Great advice from a great and brave woman who has "been there and done that."

As we consider the knowledge acquired, I encourage us to learn the signs of domestic violence and human trafficking and rekindle our commitment to fostering a safer community and actively work towards ending these violent crimes.

THANK YOU: We extend our heartfelt gratitude to all our members who joined us and participated in our February luncheon at The Wharf. A special thank you to all who contributed to making our luncheon a great experience.

MARCH LUNCHEON: Can't wait to see y'all at the March 7th luncheon at Captain Jack's Family Buffet, located at 8208 Thomas Drive, Panama City Beach, FL. Our March luncheon will feature Catherine Glover, the Executive Director of Girls, Inc., as our guest speaker. Joining her will be Brittany Pace, the Donor Relations Manager and Program Specialist for Girls, Inc. We eagerly await their presentation and look forward to welcoming them.

"Welcome New Members"

I was raised in South Carolina and went to nursing school at the University of Southern Mississippi. I lived in Mississippi and Florida for the last 30 years. I worked as a registered nurse for over 30 years. I was a staff nurse and did travel nursing the last six years. I worked staff in Sacramento, California before I retired in 2016. I enjoy traveling and volunteering. Also, I just remarried on February 24, 2024.

Rhonda (Pace) Blankenship

Michelle Coombs

My name is Michelle Coombs. Originally from northern Ohio, we have lived across the state, as well as Indiana, New Jersey, Massachusetts and California.

I started my career in Human Resources - back when it was still called personnel. In fact that is how I met my husband Kris, to whom I've been married 28 years. I was lucky enough to step away from my career while my sons (James and Jonathon) were young. When they got older, I went back to school (MBA from Notre Dame), starting a second career in Marketing. Since graduating 15 years ago, I have specialized in pharmaceutical and biotech marketing. In this industry, I have helped bring to market drugs for weight loss, Cancer, Hemophilia B to diagnostics technology for COVID and liquid biopsy.

Being from Ohio, we always joked that Ohio people retire to Florida and when COVID hit, we took the opportunity to purchase our forever home here in Panama City Beach. I run my own Marketing Consulting firm from here and love the ability to go walk on the beach and listen to the waves. I also enjoy doing water aerobics, crocheting, cooking and reading. I found WCC-PCB when I was looking for opportunities to give back to the community and I am excited to help make our community even better.

Sharon is a Native of Massachusetts and has been a resident of Florida for 30 years. She is a Magna Cum Laude graduate of Palm Beach Atlantic University with a degree in Human Resource Management. Her working career includes 20 years at Florida Power & Light where she developed software applications and trained FPL staff statewide in information technology. She has also held management positions at AutoNation and WCI Luxury Condominium Developers and other smaller companies.

Sharon Mayberry

Sharon devotes a portion of her spare time to her church's charity programs including, 'Feeding the Flock', 'Sheltering Abused Women & Children', and pregnancy advocacy center. She also served on the 'Friends of the Library' group helping to raise money and develop programs for library users. She has also served as the volunteer treasurer for several churches and HOAs.

She enjoys playing pickleball, tennis, woodturning, swimming at the beach, playing with her nieces and nephews, and traveling with her husband.

Pam Sanders

Lived in Louisville, KY until the age of 22. Moved to TX spending 13 years in Allen, TX, a suburb of Dallas, TX and 26 years in Cypress, TX a suburb of Houston.

I have two adult children and one grandson still living in the Houston area.

Worked in IT starting as a programmer and evolved into an IT Project Manager working mostly for Halliburton for 30 years.

Moved to Panama City Beach, June 2023. I love this small town atmosphere.

My entire adult life, I've participated with so many volunteer organizations. We were meant to be on this planet to do our part to help those in need. Currently I volunteer with the West Bay elementary school mentoring first grade scholars and encouraging teachers and staff.

I look forward to working with everyone in the WCC.

"Congratulations Women's Civic Club!"

On February 29, The Women's Civic Club of Panama City Beach was presented a \$5,000 check from the Latitude at Watersound Foundation, in recognition of the positive impact our club is having on our community! Thank you to Monica Thomas (a resident of Margaritaville) for bringing the opportunity to the board and to Cheri Leistner, and those who supported her, for completing the grant application along with the digital package highlighting our club, its mission, activities and community involvement. A special thanks to the residents of Latitude Margaritaville who believe in our mission and voted for us. And thank you to the many club members who were able to attend the event.

Fashion Show

Looking for the latest styles and accessories to update your Spring wardrobe? That is exactly what you will see at our Women's Civic Club Fashion Show, April 4, at Harpoon Harry's. This is one of our most looked forward to member events which will take place during our monthly luncheon meeting scheduled at 11:00 a.m.

Our very own Club members will be modeling the newest Chico's and Soma line of spring wear, summer wear, sleep wear, casual wear and accessories to include jewelry, scarves, ruana wraps and much more. Debra Glass, Master of Ceremonies from Chico's Boutique, will showcase each outfit the models will be wearing. WCC Fashion Show committee members who are not modeling, will be assisting in the dressing room and mingling throughout the event to answer any questions you may have and make sure you are comfortable with your viewing of the show.

All WCC members are encouraged to wear something Chico's from your closet, accessories or jewelry box. Invite your choice of guests to support Chico's and include them with your RSVP to the monthly meeting luncheon.

Dance and Silent Auction

Darlene and I want to express our immense gratitude for the support from everyone who contributed to the success of this year's "Oh What A Night" Dance and Auction, Caring and Sharing fundraising event!

To our members who attended as guests, sponsored tables, offered a helping hand, and contributed through monetary and material donations, we are truly thankful. Your generosity and dedication have been crucial in achieving over and beyond our goals.

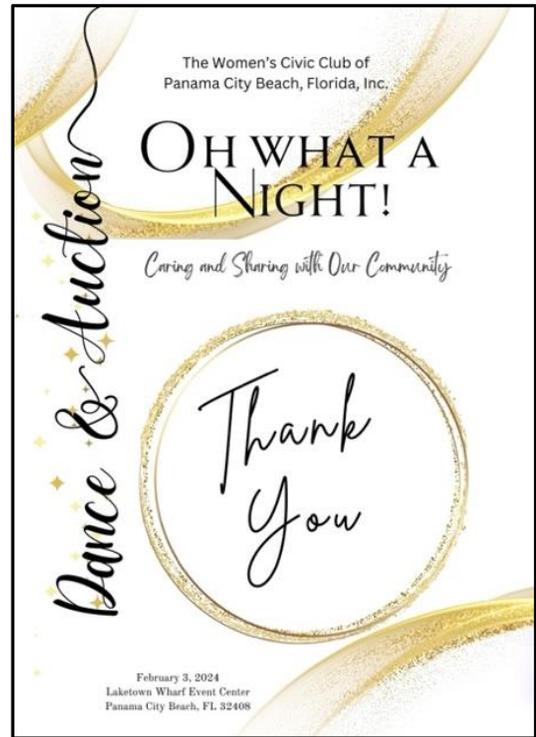

Words aren't adequate enough to thank the Auction Committee, lead by Tammy Haight and Kelly Bertin, for a job of excellence! We have been impacted by your teamwork and dedication.

To each participant, the results that flow from your efforts will make a difference in our community and we want to thank you for your unwavering commitment to our shared objectives.

On behalf of our entire Dance Committee team, we thank you from the bottom of our hearts! You are the best!

The Special Beach Events Committee was offered an unexpected opportunity to work at the Food Truck and Craft Beer Festival of PCB! This was a wonderful opportunity to earn additional funds for our charities and support organizations. We survived the cold, rain and wind of the weekend, and apparently impressed the organizers of this festival.

Per the Operation Manager of the Food Truck Festivals of America, we “were soooo amazing”! They are also 100% sure that they want to work with us next year!

So many many thanks for everyone’s hard work, smiles and can do attitudes that made this festival a success and made such a good impression on a new fundraising partner for the WCC of PCB !

The WCC was well represented at Backpack Blessings on February 8th, with at least 14 members participating in packing weekend meals for children in need. The next packing event will be held on March 14th at 8:30a.m. Please join us! It is easy to do, and only takes approximately one hour to complete. Each bag packed contains 7 meals and snacks. As a bonus, following the packing we usually have a group enjoying breakfast together. Please contact Dena Roewe (214-794-8843 or denaroewe@att.net) if you would like more information or to sign-up. Or, just show up to the Hospitality Depot, 158 Griffin Blvd. at 8:30 a.m. (but would appreciate it if you would let Dena know you are coming).
