Dear Members:

"Unwind" - to relax after a period of work. Not to be confused with "UNwineD" where the club members will volunteer on March 29th. The club has been busy with numerous fundraising and community outreach activities, and I am sure each of you are ready to relax and enjoy some "me" time. On April 26th, in recognition of your contributions throughout the year, a picnic will be held at Camp Helen State Park. It will be a time to enjoy good food, good fun and good company.

On March 9th we will spring forward by one hour as we move to daylight savings time, however you can get a head start by attending the Spring Fling at Frank Brown Park on March 8th. The Arts and Crafts Committee has worked hard to make this a premier event. Enjoy shopping and a quick bite at the Cafe'.

Congratulations to the Dance and Silent Auction Committees for hosting the Diamond Jubilee Gala. The planning, marketing and execution of the event is a testament to the talent of the members of our organization.

As you select your committees for 2025-2026, consider either chairing or co-chairing a committee. These leadership roles are vital to the success of the club. Committee sign-up sheets and the \$30 dues are to be submitted by the May General Meeting.

February Luncheon - "Making a Difference, One Backpack at a Time"

We had the pleasure of welcoming Lynn Sears and Rebecca Dent from Backpack Blessings of Panama City Beach, FL, as our featured speakers at our February luncheon, held at the beautiful Runaway Island Restaurant. Their heartfelt presentation shed light on the remarkable work that Lynn, Rebecca, and their team do every week to ensure that no child in our school system goes hungry.

This non-profit organization provides weekend meals to students across all Panama City Beach schools. These students are identified by their counselors and teachers as needing additional nutritional support. Each weekend, during the school calendar year, they receive seven balanced meals along with healthy snacks, helping to bridge the gap when school meals are unavailable.

During their video presentation, we gained insight into the logistics involved in preparing and distributing these essential food packs. It was inspiring to hear about the dedication of volunteers who give their time and energy each week to support this cause. Lynn and Rebecca also shared heartwarming stories about the program's positive impact on the children and their families, reinforcing the importance of community involvement in addressing this critical need.

As part of our WCC Community Outreach, we have the privilege of witnessing firsthand the incredible impact of volunteering side by side with this team on Thursday mornings. This is a cherished time as we come together to fill bags with wholesome snacks and meals, knowing they will soon be in the hands of children in need.

We are incredibly proud to support this non-profit organization, not only through our volunteer efforts but also as a beneficiary of the funds raised by the Women's Civic Club. These funds, which we give back to our community, help sustain and grow vital programs like Backpack Blessings. This program stands as a testament to what can be achieved when individuals unite for a common cause: ensuring that every child has access to the nutritious food they need to learn, grow, and succeed.

For more information about Backpack Blessings or to learn how you can help, please visit their website at backpackblessingspcb.com. You may also reach out to me, Jane Fillingim if you need additional information. Together, we can continue to make a meaningful difference in the lives of Panama City Beach's children.

DID YOU KNOW? Jenna Hall has been a longtime volunteer with Backpack Blessings and happened to mention the organization to our Community Outreach Chairman, Dena Roewe and that's how the WCC got involved with Backpack Blessings. Thank you, Jenna. Just goes to show you that "you" can make a difference.

THANK YOU TO OUR ATTENDEES: Thank you so much to those of you who could join us for our February luncheon. It was wonderful to have you with us as we learned more about the impactful work of Backpack Blessings. Your presence and support mean a great deal to us and contribute to the success of our events and mission.

We hope you enjoyed the presentation, the delicious meal, and the camaraderie with fellow friends and members. Your involvement helps us continue to make a positive difference in our community.

"MINI" FASHION SHOW: Master of Ceremonies Tammy Ruehrwein introduced models Diane Vitale, Sharon Mayberry and Denise Rentz as they showcased the most recent spring collection from Chico's.

A HUGE THANK YOU: We would like to extend our deepest gratitude to Roberta Bernhardt for her selfless dedication to the Women's Civic Club. Roberta consistently goes above and beyond to coordinate with venue personnel, ensuring that every detail, from the meal selection to the event logistics, is meticulously planned. Her unwavering commitment and singular focus on creating a seamless and enjoyable experience for all attendees reflect her genuine care for the success of our club. Thank you, Roberta, for your invaluable contributions, exceptional efforts, and steadfast support.

MARCH LUNCHEON: We look forward to welcoming everyone on Thursday, March 6, 2025, for our upcoming luncheon. The event will be held at Captain Jack's Family Buffet, located at 8208 Thomas Drive. This is a wonderful opportunity to enjoy a delicious meal while hearing from our distinguished guest speaker, Beverly Nield, an accomplished genealogist and author.

PLEASE TIMELY RSVP: Please check your email for your March luncheon invitation and be sure to RSVP by the specified deadline. Your timely response is essential in helping to provide the venue with an accurate guest count and ensure a smooth, enjoyable event for all. Thank you so much for your prompt reply and we look forward to seeing you there!

March "Mini" Fashion Show - Bealls

Donna McElroy, Alisa Walley, and Sharon Burnett will proudly present a locally established Florida and family owned value department store for the March "mini" fashion show: Bealls.

Donna and Sharon share nearly the same fashion favorites. They both shop at discount stores including Bealls. Donna looks for brand names and favorites refined to a casual look with white pants, nice shirts, sweater and jackets. You will most likely see her in flip flops to complete her fashion style. Sharon comfortably wears loose pants and tops in white, black and beige colors. She accessorizes with fashionable jewelry, purses and footwear.

Alisa Walley enjoys shopping for fashion favorites at various stores in Panama City Beach. I love just popping in to see what they have when I have free time. My current fashion interest is wide leg jeans or slacks and casual tops with tenny's or sandals.

You will find this "mini" to be a "Step into Spring" moment. Spring is a season of the year when the weather becomes warmer, leaves and plants start to grow again and flowers appear. Join us by wearing your favorite spring wear and share your recent Bealls' spring purchases.

Oh my goodness!!! What a fun event we had last Saturday at the Mardi Gras Music Festival at Aaron Bessant Park! The crowd for Chris Janson was HUGE and he totally delivered. And who knew he lives in South Walton! We endured the volume of the first band, the lack of refrigeration, the intermittent internet connections and still managed to have fun and to exceed our goals financially.

We sincerely appreciate each and everyone of our volunteers!. This committee has many events that we work and so many moving parts for each event. Our events are staffed by our committee members, club members who are not on the committee, and our husbands, friends and neighbors. And it takes your determination and commitment and smiling faces to make it happen. So thank you!!

Food Pantry

Food Pantry in need of volunteers. As you know we are supporters of the food pantry at Gulf Beach Presbyterian Church on Highway 79. Their hours of operation are Monday, Wednesday and Friday from 9AM-12PM. Throughout the winter, snowbirds assisted with bagging food for the multiple families and homeless. The snowbirds are now going home and the food pantry is in need of one or two volunteers for the 9AM-12PM shift on the first and third Friday of the month. If you are interested, please contact me and I will tell you about the position and whom to contact.

The WCC appreciates ALL of your efforts that ensure we can contribute to many organizations and support organizations on the beach that strive to improve life for all on the beach. This picnic is just a small token to express that appreciation. All club members and one guest each are invited.

"Recognizing our Members"

Dear Members,

You are important to us! Sunshine committee members are now wearing sunflower pins to make it easier for members to tell us when a member is ill, had a loss, needs surgery or just a hug. If you are new and have a question, we might be able to steer you in the right direction. Feel free to call if you know someone who needs a card. We don't want to miss cheering up our fellow member.
