Nancy Stovall

From the President's Desk

Dear Members:

In March 2024, the Women's Civic Club was recognized as the "2023 Volunteer Group of the Year" for their many efforts with Visit Panama City Beach tourism staff. Over the last year, our members volunteered at the Pirates of High Seas and Renaissance Fest, Home for the Holidays, New Year's Eve Ball Drop, Mardi Gras, Food Truck and Craft Beer Festival, UNwineD, and the Gulf Coast Air Show. In addition, they supported two Ironman Races and the Panama City Beach Marathon. Additional fundraising events included a Spring and Fall Arts and Craft Fair, partnering with the community, soliciting sponsors and hosting the Dance and Silent Auction.

To support our local charities and the community, members brought items and money to the monthly luncheons for a selected charity, volunteered their time working with Girls Inc. and Backpack Blessings, met with schools to understand their needs and brought cheer to residents at Charter Senior Living.

Although it is not expected, it is nice to take time to show appreciation to you, the members, for all the wonderful things you do. Last year we started including a small amount in our budget for a member appreciation event and in May, a member appreciation picnic was held at Camp Helen State Park in honor of you. To all that were able to attend and those who were unable to attend, I want you to know your efforts are appreciated. Thank you for being the special people you are.

"Success is the sum of small efforts, repeated day in and day out." Robert Collier

"2024-2025 Board of Directors"

Since 1965, the Women's Civic Club has been successful because it is built on a strong foundation. A Board of Directors, consisting of all duly elected and appointed officers, and chairmen of Standing and Appointed Committees meet the last Thursday of the month, August through May, at 10:00 am at the Panama City Beach Chamber of Commerce Board Room to conduct the business of the club. Any member is welcome to attend Board meetings but cannot vote. An Executive Board, made up of the elected officers and the outgoing President, meets when required.

"Giving Back to the Community"

The Panama City Beach Police Department PD K9 unit welcomed Women's Civic Club & CAP members, Bobbi Griggs and Gloria Turner, to their recent training session where they presented Officer Shankle of the K9 team with the WCC donation for their supply needs. The PCB PD K9 team was welcoming to the visitors and appreciated the donations very much.

Bobbi Griggs, Officer Shankle, Gloria Turner

Officer Melcher, K9 Loki, Officer Lerner, Officer Walsingham, Corporal McKeeby, K9 Rogue, Officer Coupe, Corporal Weber, K9 Kovu, Officer Martinez, Officer Shankle

While the K-9 Team's primary responsibilities are the safe apprehension of serious criminal offenders, the timely discovery of evidence, the protection of the public and officers, and the search for missing persons, they also serve as a link between the Police Department and the community. The Unit's current K-9's are trained not only on narcotic detection, but offender tracking and apprehension, building searches, and evidence locating.

Given the public perception and tangible link established by the K-9, between the department and the community, the K-9 officer is often times expected to participate in demonstrations, special events, and other exhibitions by the public. During these events, the K-9 officer is expected to use his/her K-9 to educate the community on its use; open a dialogue regarding K-9 operations and community expectations. The K-9 officer is also expected to seize opportunities to use the K-9 to open communication lines and increase understanding and knowledge in the community on a daily basis.

The Unit currently consists of four (8) teams made up of one officer and one K-9 each. These officers are assigned to the uniformed patrol division and work a rotational schedule, which allows for one or more of these units to be available at all times to aid not only the Panama City Beach Police Department, but surrounding agencies as well.

"May Luncheon at Dee's Hangout"

Members and Guests enjoyed a wonderful buffet lunch, including strawberry shortcake, at Dee's Hangout. Nancy Stovall, President, recognized the 2023-2024 officers Siles Jiles, Treasurer; Gloria Turner, Corresponding Secretary; Sharon Williams, Recording Secretary; Arlene Klaas, First Vice President; and Jane Fillingim, Second Vice President; for their service. Under their leadership and the leadership of the committee chairs, they have demonstrated the many achievements that can be accomplished by active participation and cooperation, but most of all by faith in our organization.

Dena Roewe, Sony Edwards and Jeanette Poland were installed as the 2024-2026 Recording Secretary, Corresponding Secretary and Treasurer, respectively, by Kay Vider, 2011-2013 Past President. The new officers were chosen for their leadership and are entrusted with the serious responsibility of serving our organization.

Membership Service Recognition

Kay Vider

Kay Vider was recognized for 30 years of membership in the club, Jean Sturman for 10 years of membership, Roberta Bernhardt and Luciann Jacobs for 5 years of membership. All of the membership was recognized for their accomplishments captured in a video presentation prepared by Cheri Leistner. The video set to the music "Banana Wind" by Jimmy Buffet was used in the application for the Latitude at Watersound Foundation grant.

Jeanette Poland presented the 2024-2025 Budget for approval. The budget included the annual donations with the addition of Backpack Blessing to the list. The membership voted unanimously to approve the budget and will continue to make an impact on our community.

To: ***Our Members***

From: ***Lunches and Programs***

We are thrilled about our line-up of luncheon venues for the upcoming year! We will be visiting some of our favorite venues that have served us so well in the past as well as trying out a new venue, Hyatt Place. We will also be having some fun with fashion at our luncheons this year, courtesy of Bobbi Griggs and the Fashion Committee. Can't wait to see what they have in store for us!

The Lunches and Programs Committee has worked diligently to negotiate the best prices with the various vendors, ensuring they can accommodate our group size and provide delightful meals. To balance the varying costs of different venues, we will implement a flat rate of \$28 for our luncheons this year. In months where our actual expenses are lower, the surplus will be used to offset costs in more expensive months, helping us manage our finances effectively.

As a club, we are dedicated to fostering community involvement, and supporting charitable endeavors. Our mission is to make a difference, and our luncheons are a testament to the commitment and passion of our members. Thank you for being a part of our Women's Civic Club and for helping us to achieve our shared goals. Your involvement and support are what make our luncheons and our club successful.

We hope that you will be well pleased with our venue itinerary and programs lined up for the year as we strive to make our events affordable, accessible and enjoyable for all.

We look forward to seeing you at our September 5th luncheon at Hyatt Place, 15727 Front Beach Road, Panama City Beach. It's going to be great. Can't wait to see you there.

Jane Fillingim, Chair Lunches & Programs Committee

"Luncheon Fashion Show Fun"

The WCC Fashion Show Committee is proud to announce a "mini" series of fashion shows as an addition to regularly scheduled luncheon meetings. Select models will be displaying unique styles, designs and accessories from local establishments of their choice. Kim Escalle and Susan Lydon will be modeling their selections by Lilly Pulitzer at the September 5th luncheon. Join them in wearing your favorite pieces and accessories from your closet!

When asked why you chose to be a WCC Fashion Show committee member, Kim's response was "I love shining bright for our community and especially our club of beautiful women who do so much every day to make PCB a better place to live." Susan's response, "It gives me the opportunity to present a piece from a local vendor that is trending in fashion and accessories. It also allows me to work with a great group of women to present a great show with a wonderful sense of community."

Bobbi Griggs, Fashion Show Committee Chair

"Luncheon Reservations"

As we start a new fiscal year, it might be helpful to review the luncheon reservations and check in procedures. The Luncheons Committee has been working during the summer to arrange for the luncheon locations and speakers. The location and date for each luncheon is published in the yearbook (pages 8-9). It's easy to remember the date...always the first Thursday of the month, September through May.

The Telephone & Reservations Committee will email to each member the luncheon invitation about ten days before the luncheon. The luncheon invitation will contain all the details for that particular luncheon: date, time, location, speaker/program, menu, committee collections information and the deadline for your RSVP. The luncheon price will be the same for each luncheon this year: \$28. And you may pay with check payable to WCC, cash, or credit card. There is a \$1 fee for using credit card so credit card total would be \$29 for each luncheon.

Now your work begins! You will need to RSVP by the RSVP deadline time. For some luncheons you will have a menu choice to make and for all luncheons you will need to let us know that you are coming by the RSVP deadline time. Oh, did I mention there is a RSVP deadline time?!? Those times may vary slightly from luncheon to luncheon. That's because we have contracts with the venues that determine when they will need a final count and each venue has different requirements. Please note the RSVP deadline time for that luncheon and simply reply to that email. And we love having guests, so just include your guest's information when you RSVP. We will need each guest's name and menu choices. Once you have replied, you will get a confirmation that we have received your reservation.

Now it's time to check in. We have a lot of ladies registering in a very short time and we are trying to streamline the check-in process with two lines this year (as space at each venue will allow). If you are writing a check and can have it completed before you get to the desk, that would be helpful. Once you have checked in, please move into the luncheon area so we can continue to move ladies through the registration area as quickly as possible.

One last reminder that if you make a reservation and do not let us know by the RSVP deadline that you are subsequently unable to attend, you will be charged for that luncheon. This applies to any guests for which you are responsible also. We have contracted with the venue and given them a final count for which we are charged. And our By-Laws, Article IV, Section 1b include this process.

We are so excited for the upcoming venues and speakers this year! But we need your help getting check in completed. If we all work together we can get everyone, including the ladies at the check in desk, in the room before the meeting is called to order. See you soon!

Sue Jiles, Telephone & Reservations Chair

“What an OPPORTUNITY !” That was a statement heard over and over again during the Gulf Coast Air Show on May 3, 4 and 5. The WCC was given the opportunity to volunteer for Visit Panama City Beach to sell cold beverages during the show and earn money for our charities. But our beverage stations were also positioned at center stage of the show. We felt up close and personal to the pilots, parachutists, and even family of the Thunderbirds. And we have to mention how “up close” we felt as the jets screamed over the top of us, seemingly coming out of nowhere!

Many thanks to the over 35 members that assisted with this event and the many husbands, friends, and family that you brought with you. Many hands made for easy work! Visit Panama City Beach staff was extremely grateful for our work and even gave us a shoutout on their facebook page! We hope to be given this opportunity again in the future!

"Supporting the Community"

Boys and Girls Club

Cheri Leistner presents a check to Latina Reed, Unit Director of the Boys and Girls Club. On the far right pictured is Davin Baxter, Director of Operations for the Boys and Girls Club of Bay County.

Thanks to the awesome fundraising efforts of all of the ladies of the WCC during the 2023-24 year, an additional contribution was made to The Boys and Girls Club at Frank Brown Park. This contribution will go towards their summer enrichment program called Brain Gain. This curriculum is designed so that the members do not lose any of the knowledge and skills learned during their recently completed school year, and gain additional knowledge to build upon in the coming year.

The first day of the summer program began with a group of 75 club members. And they were excited to be there! The check was accepted by Latina Reed, Unit Director of the Boys and Girls Club at Frank Brown. Also present was Davin Baxter, Director of Operations for Boys and Girls Club of Bay County. Latina spoke to the members about the good work the WCC does for the community and how we contribute to make their club special.

Thanks to all for making this donation possible!

Another Red Hat Tea Party was held at Charter Senior Living on May 20th. WCC Members Jean Cooney, Gail Claffey, Denise Rentz and Gloria Turner enjoyed a lovely afternoon tea with other residents. The next Red Hat Tea Party will be September 27th at 2:30PM.

Beach Access 22

Parks and Recreation are putting their final touches on the new handicap friendly #22 beach access point located at 8523 Surf Drive. The project includes a hard surface for people to walk out on the beach, a wheelchair-friendly shower, handicap and golf cart parking spaces. The Women's Civic Club donated a bench which is located at the access. The Community Outreach Committee is working with Parks & Recreation to have an official dedication in the near future.

Food Pantry

Coordinator Beth Reedy, Gloria Turner Cereal, Tuna, Mixed Vegetables, Water Collected at May Luncheon

The food pantry again has had a busy summer, with July having the most clients and meals given out EVER. It's a sad statistic, so hard to be proud of the number of individuals and families needing food assistance on the beach. However, through the generosity of our club and many individuals and corporations they, as with other food pantries on the beach, are able to continue to meet the need. In July the number of clients served was 326 and the number of meals given out was 2,934. I spoke to the coordinator of pantry volunteers and she said they are on course to serve as many this month.

The food pantry at Gulf Beach Presbyterian Church moved into a new location within the building that houses the pantry. With their move, in May, they now have more space not only for their stock items but they were able to add more freezers. With the additional freezers they now have room for frozen meats and individual or frozen family pack meals. In the past they only had freezer room for hot dogs or meat balls.

Like last year, at our business luncheon we will be collecting for the food pantry 3 times, in November, December, and May. Please read the Newsletter and your luncheon invitation for items requested / needed for the pantry.

As always, thank you club members for your continued support of our food pantries.

Gloria Turner, Food Pantry Liaison

School Projects

With schools back in session, the School Projects committee will be collecting items to support our five elementary schools in Panama City Beach at the September Luncheon. Please support the teachers and the students.

- * Monica Thomas, Scholarship Liaison
- * Sean Holmes
- * Emma Kramer
- * Scarlett Shepard
- * Nancy Stovall, WCC President

Sean Holmes was a Boy Scout since the age of 6 and received the rank of Eagle Scout this year. Sean was on the wrestling team and was captain for 2 years. He was also involved in Beta Club, FCA, and SGA. He currently works at Angelo Steak Pit. He plans to attend Gulf Coast State College for a degree in Unmanned Systems and transfer to Florida State College to earn a bachelor's degree in business administration. Sean was ranked in the top 25% of his class.

Emma Kramer was involved in the JROTC, National Society of High School Scholars, and the National Junior Honor Society. She was a cheerleader and played lacrosse and was captain for both sports. She presently works at Dick's Sporting Goods where she serves as a manager. She plans to major in business, but her ultimate goal is to have a career in the military. Emma was ranked in the top 20% of her class.

Scarlett Shepard was a member of the Honor Society, Beta Club, and was a peer tutor at Gulf State College and Arnold High School. She works at Lola's Coastal Kitchen, pet sits, and helps her younger siblings while her single mom works. Scarlett plans to major in business at a Florida college, but her ultimate goal is to become a lawyer. She is ranked in the top 32% of her class.

Kirby Holt Christmas Showcase

It's never too early to think about Christmas! And everyone's favorite floral designer, Kirby Holt, is once again hosting a Christmas Showcase in Chipley Florida. The showcase will be October 29 at the Spanish Trail Playhouse in Chipley. And Kirby has generously arranged for this to be a fundraiser for the Women's Civic Club of PCB! Tickets for the event are \$25. For each ticket the club sells, Kirby will donate \$10 to the WCC.

To make it easy for club members to attend the showcase, the Member to Member committee has arranged for a luxury motorcoach to shuttle us to and from Chipley! We will leave PCB at 3pm and arrive in Chipley around 4:30. Kirby has also arranged for 1901 on Main, a wine bar directly across the street from his shop, to open for us to grab a light meal. 1901 offers tapas (wings, sliders, crostinis, a burger), flatbreads, and charcuterie boards, along with wine and beer. After dining, we will walk 3 blocks to the Spanish Trail playhouse for the show at 6. The show will run 2 hours and Kirby will entertain us with decorating tips, designer techniques, new ideas, stories and more, all while decorating several full size trees on stage. Following the show, we will walk the 3 blocks back to Kirby's shop which will be open to shop the products featured during the show. The motorcoach will depart Chipley no later than 9:30, arriving back in PCB by 11.

Cost for the motorcoach will be \$22. Dinner and shopping is on your own.

To make reservations, please email Cheri Leistner, cheri@advantagesoutheast.com. You will be contacted to make a credit card payment for your transportation (\$22) and showcase ticket (\$25). Of course, there is limited seating on the bus, so reservations are first come, first served. Reservations are due no later than September 19.

Showcase tickets without transportation are also available.

We hope you can join us on this fun trip!

From: Cherie Lagace

Thank you for all your thoughts and prayers. They are really appreciated. Sincerely.

From: Glenda Densmore

Thanks for your call and sending me the newsletter.

From: Scarlett Shephard, Arnold High School 2024 Graduate

Dear Women's Civic Club,

I wanted to sincerely thank you for the scholarship you provided me. I am deeply grateful for your support, and promise to make the most out of this opportunity. This money will definitely help me in furthering my education. I appreciate your generosity.

From: Walsingham Faculty, Staff and Administration

Thank you for your generous donation during our Teacher Appreciation Week. Once again our staff had a wonderful week of snacks, gifts and food because of our community partners. They truly felt "the love".

"In Memory"

Jane Nendick passed away from complications to her year long illness on Sunday, 11 August 2024 at 10am in Panama City Beach.

Jane joined the Women's Civic Club in October 1999. She was a veteran Fashion Show participant and brought much joy to all.

Jane is a native of Chattanooga, Tennessee and attended the University of Tennessee where she received a bachelor's degree in education with a minor in child psychology and a master's degree in administration and supervision. She completed the requirements, except for a published paper, for her PhD. Moving to Athens, Georgia she taught the 5th and 6th grades and was the child psychologist on staff.

Later she moved to Memphis, Tennessee where she lived for 34 years and taught at St. Mary's and later became the child psychologist at Lausanne School. Along with her UT sorority sisters, Jane would come to Panama City Beach for spring break. She remembers when Back Beach Road was 2 lanes paved with oyster shells. Later as she was looking towards her future and retirement, she bought a condo in Panama City Beach.

Please remember her husband Ed in your thoughts and prayers.
